TRiO UB APPLICATION**

Dear TRiO Upward Bound Applicant and Parent/Guardian

Thank you for interest in Humboldt State University's TRiO Upward Bound program. Based on your Pre-Screening Student Questionnaire, it is determined that you meet our eligibility criteria and we are inviting you to apply.

It is important for you to know that as an applicant for this program, you will be asked to complete the student application, provide demographic and financial information, and respond to a series of questions regarding your interest in TRiO UB. Once you complete your application, program staff will set up a face to face interview where we will ask you questions about your experiences in high school, goals after high school, what you want to be when you grow up, and assess your understanding of what classes you need to take in high school to be eligible for college, and how you plan to pay for education and or training beyond high school. Possible risks or discomforts you may experience during this interview may include an emotional reaction you might feel toward questions about your high school experiences, home life, or future plans. You may decline to respond if you feel discomfort.

All information shared during the application process and the interview session will be used to determine your need for program services. This includes copies of tax records, income verification, transcripts, and interview notes. All written information will be kept confidential and securely stored TRiO UB office and is accessible only to program staff. If you have questions or need further information about our application process, please contact Jen Dyke or Leo Canez at (707) 826-3558.

If you have any concerns with this request, contact the Chair of the Institutional Review Board for the Protection of Human Subjects, Dr. Ethan Gahtan, at eg51@humboldt.edu or (707) 826-4545.

If you have questions about your rights as a participant, report them to the Humboldt State University Dean of Research, Kacie Flynn, at flynn@humboldt.edu or (707) 826-4189.

I/WE attest that I have read and understand this letter of informed consent in regards to the TRiO UB application and interview process and agree to participate.
